CLASS HISTORY OF H9-1

H9-1 has had Miss Brown as a registry and social science teacher since we entered the school in the L7 grade and we were very fortunate to have her so long. We have had many good times together, and went on many trips. Some of the trips we took were to the different factories in the city and also the city hall where we attended a meeting.

For two years we occupied room 306, but when we came back to school in the L9 grade we were moved to room 309.

H9-1 won the Attendance Cup twice and won the Citizenship contest. Also, we have had the Student Body Banner every term. Many of us have held Student Body and Assembly positions. Some of the boys and girls in our class were on basketball, track, soccer, baseball and volleyball teams.

The class officers for the last term were a group of hard working pupils who put their class before themselves in everything. These boys and girls are Robert Andresen, our president; Carol Strickling, our vice-president; Robert Eckler, our secretary; Sam Phillips, our sergeant-at-arms and Miss Brown our teacher, and honorary sergeant-at-arms.

CLASS HISTORY OF H9-2

As the time is coming for us to leave we wish to tell you of the many happy times we have had in this school.

When we were in the L7, we had for our teacher, Miss Dowd. We had her until the L9. When we returned from vacation in 1931, it was announced that we were to move to the Annex and have Mrs. Sues for our new teacher. We were sorry to leave Miss Dowd, because we had many good times with her, but we like Mrs. Sues just as well.

But now as we are about to leave the school, we must once more say, *"Au Revoir."*

The officers for the high nine term have been: President, Joseph Steele; Vice-President, Esther Carr; Secretary, Bobbie Goldman; Class Captain and Treasurer, Pauline Jacoby.

Top Row—E. Andrews, D. Carp, H. Foge, T. Nicolaisen, P. La Barbera, V. Zapien, W. Gleenon, B. Bryan, W. Carpenter.

CLASS HISTORY OF H9-3

We entered from Le Conte School as H7's and were assigned to room 109. Mr. Conmy was our registry teacher. As H8's we were moved to room 2 in the Annex, and had a new registry teacher, Miss Connolly. Next term we again had a new teacher, Miss Cullinan, and a room, 312, in the new building.

We have tried to make a good showing. The girls won the interclass championship for volleyball in the H8. The girls and boys have taken part in many activities such as Glee Clubs, Journalism, Track, Swimming, Baseball, Debating and Sea Scouts. Emmett Andrews, president of the Student Body, is a member of our class.

In the H9 we have elected the following officers to conduct our meetings: President, Arthur Cowderoy; Vice-President, Leslie Adair; Secretary, Fernando Mostero, Sergeant-at-Arms, Warren Carpenter and Class Captain, Leslie Adair.

We rather hate to leave the school and the good times we have had, even though most of us are going to high school.

CLASS HISTORY OF H9-4

The H9-4 class entered Horace Mann in the H7 grade. They had Miss Sandholdt as a teacher but soon changed to Miss Aceves. In the L8 grade they won the lower division baseball championship and had officers in their assembly. Soon they changed teachers again and have had Miss Raettig since.

The following are the class officers who have done their duties well: Gertrude Egan, president; Lena Fredericks, vice-president; Emily Falco, secretary; Chas. Dennison, treasurer; Howard Killalee, sergeant-at-arms.

H9-4 has won interclass track and upper division baseball this term. They have been active in Student Body meetings by having two class members as officers, John Petrusich, secretary and Francis Hawkins, vice-president.

CLASS HISTORY OF H9-5

We first entered the gates of Horace Mann as L7-3's. We were taken to room 205 and introduced to Miss Gray, our registry teacher.

During the first part of the term we felt rather out of place, but as the days passed by, we learned to love Horace Mann.

We did not have any changes except in the H7 when we were changed from H7-3 to H7-5. Miss Gray has remained our registry teacher throughout the three years, and we are grateful to her for the help and the cooperation she has given to us in many of our undertakings. We are especially grateful to her, for the way she helped us manage our parties. We are proud to say that we have not spent a Christmas at Horace Mann without a Christmas tree.

At the beginning of this term the class elected the following class officers: President, Roy Balke; Vice-President, Santo Piazza; Secretary, Jeanne Treanor; Sergeant-at-Arms, Leopold Allaert and Class Captain, Emmet Malone.

CLASS HISTORY OF H9-6

H9-6 is a class which has only pupils who are new to the school. It was organized last term under the name of L9-8. Miss Berkowitz is our registry teacher and is also new to the school, having started at the same time we did.

We have progressed rapidly with the aid of our teacher. Our only regret is that she cannot accompany us to senior high school.

Many of our girls were active members of the Glee Club and our boys brought honor to our class in the annual Junior High School track meet.

As we leave Horace Mann and are almost ready to embark upon our future career we leave behind us pleasant thoughts of the happiness we owe our teachers. We give our heart-felt thanks to those teachers who have helped us in our studies and who encouraged the class when it was new and strange. The class officers we have elected are very good ones and have been very faithful to their duties. They are: President, Louis Noel; Vice-President, Tom Burger; Secretary, Barbara Hyland; Treasurer, Frank Saxsenmeier.

CLASS HISTORY OF H9-7

The H9-7 class has had plenty of changes since it entered Horace Mann as L7's. Our first registry room was in the auditorium and our teacher was Mr. Mills. We were with Mr. Mills for two weeks and then the girls were assigned to Miss McPhee and the boys to Mr. Bannister. We stayed with these teachers until we were H7's and then we were informed that we were to have Miss Amedeo. Miss Amedeo was taken ill and could not be with us and so we were assigned to Miss Scribante. The following term Miss Amedeo returned and we moved to room 13. When we became H9's we moved to the new building in room 105.

When we were H8's the boys won the baseball banner, and placed second in the interclass track meet. Our class officers for our high nine term are: President, William Smith; Vice-President, Sam LoCoco; Secretary, Henrietta Cambot; Student Body Representative, Robert Lewin.

We have had many a jolly time, and are sorry to leave Horace Mann.

CLASS HISTORY OF H9-8

The H9-8 class was organized six weeks after the term started. This class was organized to give special opportunities to those H9 students who had fallen behind in their work on account of absence due to illness. The class has been very successful both in athletics and in our studies. During the ex period on Thursday we gave plays, and talks on athletics. George Jones, the class president took charge of the class when we held our meetings. The class is very thankful for the way we were treated by all the teachers who were glad to take us after the term was under way. We are especially thankful to Miss Schwellinger, our registry teacher who helped us get back to our work.

The class officers are as follows: George Jones, president; Lloyd Jensen, vice-president; Paul Howard, secretary; Chester White, sergeant-at-arms.

Top Row—R. CIRAULO, L. BOTTS, D. CRANDALL, C. STRICKLING, P. FASSLER, A. CANNELL, M. ANDERSON, A. CORTESI, M. MERMEL.

GIRLS' COUNCIL

The Girls' Council of Horace Mann Junior High School was organized to promote the spirit of friendship, loyalty, goodfellowship, and fair play between the girls of the school and toward the school in general. The Council is composed of girl student body officers and one representative from each grade in school. These representatives are elected the first week of each term by a vote of the girls in the class. The Council meets every second Friday at 11 o'clock.

The Girls' Council has been very successful in getting the girls to return to school quickly, and not to linger on Mission Street. A regular system of passes has been established, and any girl who has eaten her lunch at school is not allowed to leave the yard without a pass from the committee in charge. The Council is under the supervision of Mrs. Sproul.

Top Row—A. Castana, G. Sinclair, Miss Clifford, L. Griffen.
Second Row—E. Piening, G. Finerty, A. Higgens, G. Foster, R. Caruso.
Third Row—F. Colburn, L. Moran, G. Peter, D. Werl, L. Bott, R. Linn.
Front Row—M. Norton, C. Funk, G. Marencia, R. Sacco, A. Augustine.

PIANO CLUB

The Piano Club, under the direction of Miss Clifford is working this year, for the first time, as an elective class. For several years it has been a volunteer class which met after school.

There are 23 pupils now enrolled. About half of them are working without pianos at home. The pupils have learned, on an average, about a dozen numbers. Some of the children are playing duets.

Miss Clifford's class is sometimes visited by old pupils of hers. Miss Clifford is very proud of the fact that one of the boys in the first volunteer class is now the accompanist of a high school glee club and is planning a tour to New York as an accompanist.

A FUNNY LITTLE MAN

There's a funny little man I know
He is quite lazy, that is so.
He has a big round nose of red
And so they call him "Zed."

He lives way high upon a hill,
Where all is quiet and very still.
And when he does come down to town,
All he does, is look around.

BOYS' SPORTS

TRACK

As the morning of April 18th drew near Horace Mann was defending the Junior Hi track championship for the seventh consecutive year. For the first time in many years Horace Mann's supremacy was threatened by the up and coming Park Presidio track squad.

Mr. Zanazzi's powerful track and field squad crushed the hopes of victory for all other Junior Hi's of the city. Horace Mann tracksters broke five records and took eleven first places, combined with seconds and thirds rolled up to a point total of 64½ points to the closest rival, Roosevelt, who had 22 points.

Records were broken by Bob Lewin the Captain of the team in the 220 yard dash, he made the fastest time in Junior Hi's class all over the United States. The time was 23.2. The unlimited relay team broke the record; the time was 1.41 3/5. The 120 pound relay team broke the record; the time was 49.4. Dan Vermouth broke the shot put record with 48 feet 2 inches, and Richard Hall broke the broad jump with 16 feet 4 inches.

CREW

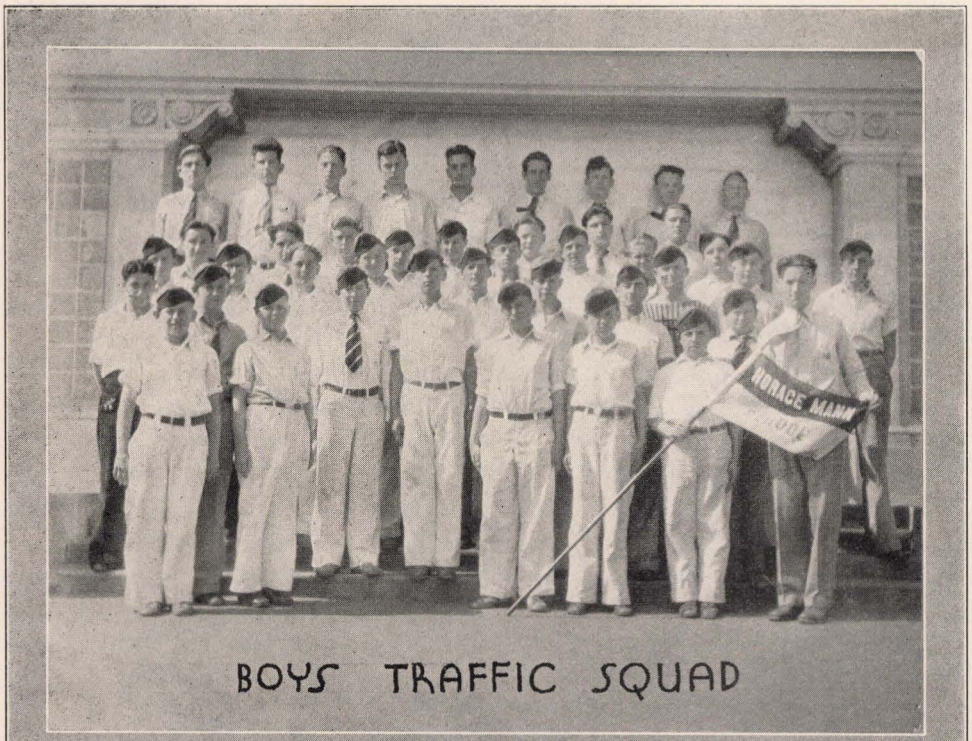

This is the second year that our crew has participated in rowing events in San Francisco. Horace Mann was the first to introduce this sport among the Junior High Schools in connection with physical education activities, and has always held an important place in crew activities.

This spring Horace Mann won the Pulling Regatta in which all of the Junior High Schools were competitors.

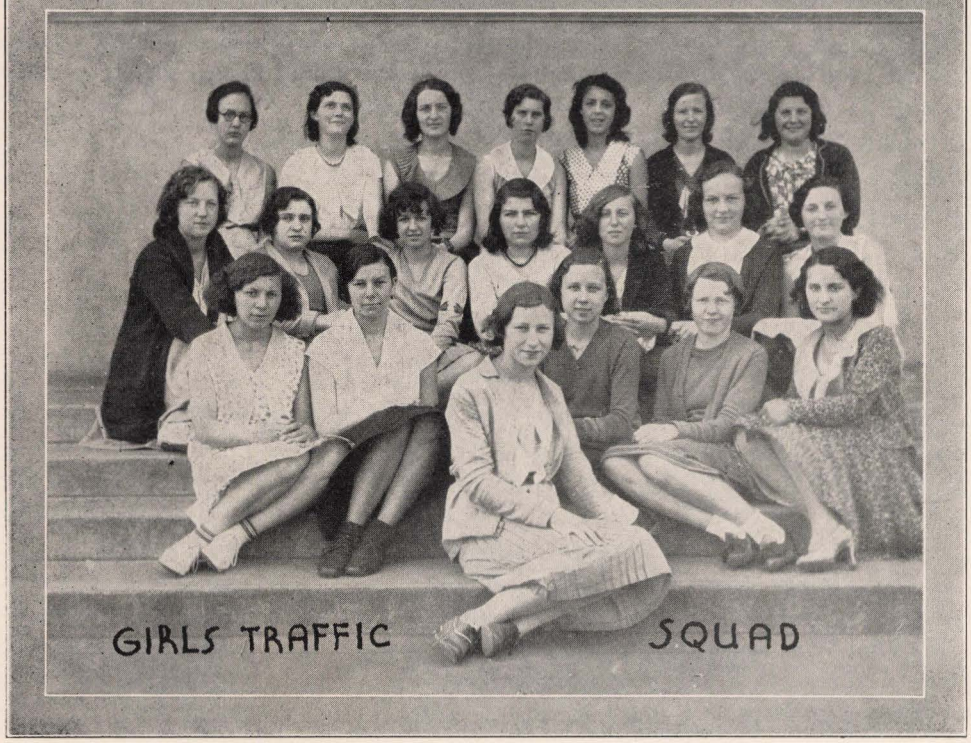

The boats used by the crews are regulation navy racing cutters. A full crew consists of 12 men at the oars, one pilot, and a coxswain who is usually in charge of the boat and crew.

BASEBALL

As the diamond season opened Horace Mann tangled with their old rivals Daniel Webster. This game was played at Jackson playground. Due to a few errors, the boys were defeated by an overwhelming score of 14 to 3. The next game was with Park Presidio, our boys were just too strong for the Presidio boys and came out on the long end of the score, Horace Mann 13 and Presidio 2. The boys went through the season undefeated after their defeat at the hands of Daniel Webster. Mr. Andrews, the coach of the team, proved that Horace Mann was the best team in the league by arranging a game with Daniel Webster later in the season. Our boys trounced the Webster team by 16 to 6. The boys finished second in the Junior Hi league with Daniel Webster first.

Sergeant to recruit who is shaving outside of his tent: "Do you always shave outside?"

Recruit: "What do you think I am, fur-lined?"

Scotchman to caddy: "Are you good at finding balls?"

Caddy: "Yes, sir!"

Scotchman: "Well, go and find one and we'll begin."

Jo: "Are you the same girl that I gave the biscuits to last week?"

Maizie: "No, and the doctor says that I never will be."

Don't be discouraged, if your work is hard, your rewards few,
The mighty oak was once a nut like you.

The following note was received by Miss Dowd:

"Dear Teacher:

Please excuse Willie from school today. He is waiting for his father to return from a long hike in the country. Last night's homework was: If a man can run five miles in one hour, how far can he run in eight hours?

We are expecting him soon but for heaven's sake don't have any more examples like that."

"Mummy, didn't you say that baby had your eyes and daddy's nose?"
"Yes, darling."
"Well, you'd better keep your eyes on him. He's got grandpa's teeth now."

He didn't buy a "Journal."
He said, "I am not caring."
But when he saw the "Journal",
He then was quite despairing.

Teacher: "But how could skin trouble give you a broken arm?"
Willie: "It was a banana skin."

Mother: "Well, Jimmy, do you think your teacher likes you?"
Jimmy: "I thing so, mummy, because she marks a big kiss (x) on all my 'rithmetic."

Two Americans visited Napoleon's tomb. The guide had just said that the skeleton was that of Napoleon when the first American remarked, "Yes, I see, but what is the small skeleton?"

"Hush!" hissed the other, "don't show your ignorance. That's Napoleon when he was a little boy."

A lady was entertaining a small son of her married friend. "Are you quite sure you can cut your meat, Willy?"—after watching him a moment.

"Oh yessum," he replied without looking up, "We often have it as tough as this at home."

After a Night School Course at Heald's, Fernand Aurel took a position as junior clerk with Motor Industries Service. He is now office manager.

"The Heald Training Gave Me a Head Start"

–says Fernand Aurel

"At Heald's they give you a thorough individual training in a few months that would take years to get in actual business.

"Heald's Business Practice Department, with conditions just like actual business, is the kind of training a young fellow can cash in on.

"To me it seems like pure common sense to give yourself the advantage of the kind of the head start you get at Heald's."
